The memory of your  
loved one lives on with  
the planting of a tree.

Batesville's Living Memorial<sup>®</sup> program, offered through your funeral home, is a unique and special way to honor the life of your loved one. When you select a Batesville casket, container or a full size urn, a request may be made for a tree seedling to be planted in a national forest as a living tribute and memorial to the deceased – at no additional cost to you.
